

Welcome to Banana Rush!

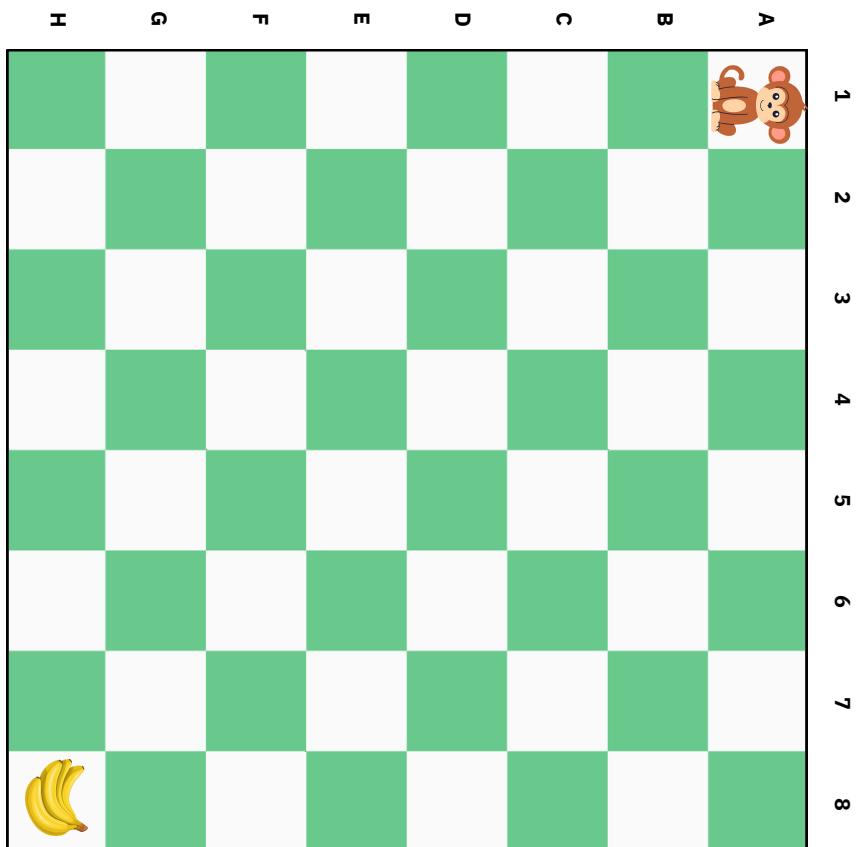

This is an interactive book where you play against the book.

Short Story:

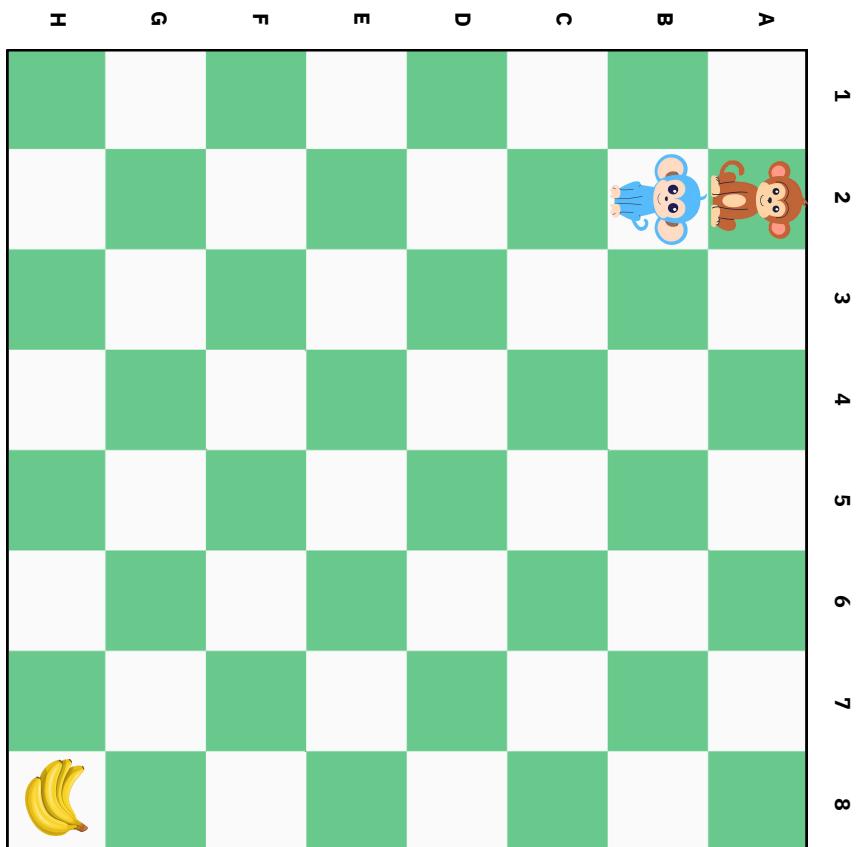

In a lush jungle, a Brown Monkey and a Blue Monkey both have their eyes on same banana tree. But here's a twist! These clever monkeys can only move 2 steps at a time - either down, to the right, or diagonally down-right. Who will get there first? Let's play and find out!

How to Play:

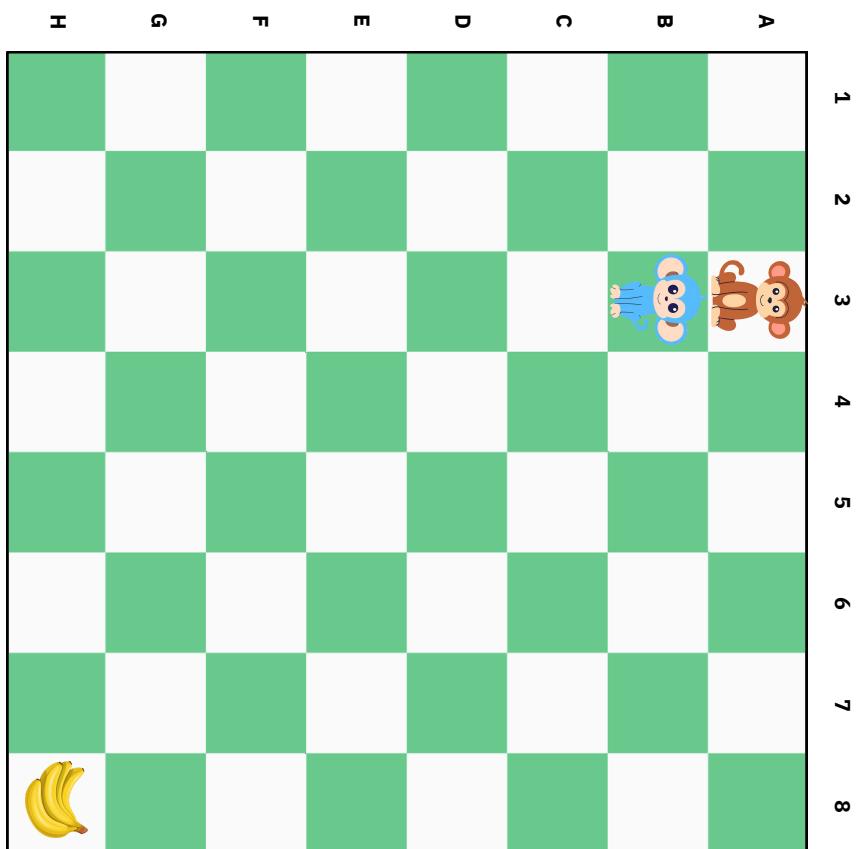

1. Choose a cell and go to that page.
2. Find the blue monkey's move on that page
3. Choose your next cell based on the blue monkey's position.
4. Continue until one monkey reaches the bananas.
